

# Earth Day Shaving Cream Craft

## You will need:

Shaving cream

Blue and green food coloring

Cookie sheet

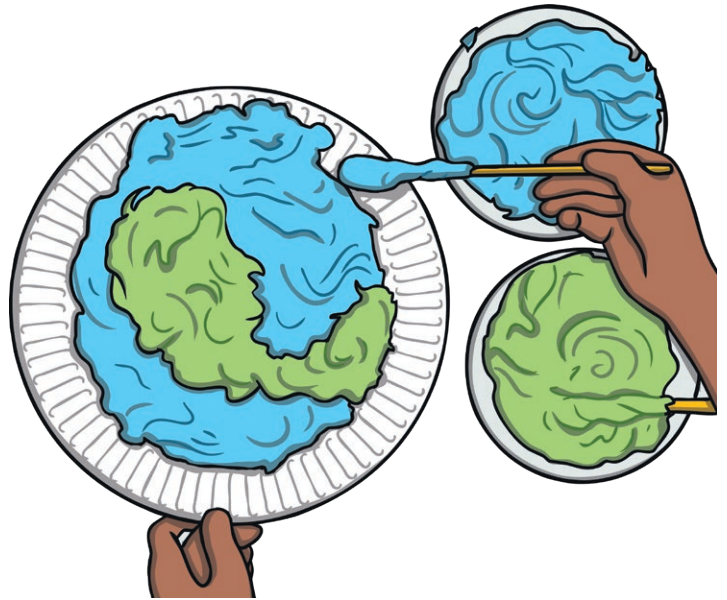

Toothpicks

Wooden craft sticks

Paper towels

White card stock

Scissors

## Instructions

1. Print the Earth Printable onto a piece of card stock.
2. Squirt the shaving cream onto the cookie sheet in a circular shape.
3. Add 4 drops each of the blue and green food coloring to the shaving cream.
4. Use the toothpick to swirl the blue and green food coloring into the shaving cream.
5. Place the Earth Printable print side down onto the shaving cream and gently press down until the card stock is covered in shaving cream.
6. Turn the card stock over and place it onto a piece of paper towel.
7. Use the wooden craft stick to scrape any excess shaving cream off the card stock.
8. If there is still shaving cream on the card stock, use another piece of paper towel to gently remove it.
9. Allow the card stock to dry for 2-4 hours.
10. Use scissors to cut out the Earth.
