

Read the letter to Mr Kane.

- Do you think that it is persuasive? Why? Why not?
- Can you find any wow words? Can you work out what they mean?
- Can you write a reply from Mr Kane to Georgia (the writer of the letter)? Write as much or as little as you would like to! You could write a few sentences in a short message (like an email) or you could write a full letter to reply.

If you choose to write a letter, some things that you could think about are:

- Including addresses at the top of the letter – Georgia’s on the left, Mr. Kane’s on the right
- The date – write this on the left, underneath his address
- Whether he would say yes or no to her request
- His reasons for this
- Any questions that he might have
- Signing off (yours sincerely)
