NOW TRY THIS!

- Write time sentences using these.

a few weeks later

in the middle of the night

Teachers' note Read the first example with the children and discuss the purpose of the words *I found* and *my purse*. *I found* says what people did and *my purse* says what they did it to. Tell them that they are going to write a word or words in the gap to say when this happened. Ask them to choose the most appropriate word/s from the time-bank.
