

In our topic lessons, we were beginning to learn all about **toys**.

Have a go at watching this video and power point, then try your activity.

100 Years of Toys Video (See post for link)

- Did you spot any toys you recognised?
- How are the old toys different from today's toys?

Toys from the past power point (See post for link)

- Do you have any of these old toys?
- What can you remember?
- Which is your favourite old toy?

Your activity:

Create your own spinning top! (See post for link)

Or/and

Draw all of the **old** toys you can remember from the power point/ video.
Can you label them?

Challenge?

Can you write a sentence about what you have learnt today?

What's your oldest toy is, tell us all about it?

Can you find all of the old toys in the wordsearch? (See post for link)
