

Friday 8th May—VE day

As a school we have decided to do a whole school project!

Watch the power point (see post for link) to find out what VE day is and why we celebrate it. Have a go at some of the activities listed below.

VE Whole School Project

75th Anniversary of VE Day

We had planned to hold a big celebration for VE Day in school on Friday 8th May but sadly we are no longer able to do that. We would still like to do something special on this day so we are asking families if you would like to join us in some special activities next week and on the actual day.

1. Children are all asked to make their own Union Jack/VE flags to wave on Friday 8th. Please take a photo of your flags and email them into school. Perhaps you could then display them in your windows at home for the local community to see.
2. Families are asked to wear any red/white/blue clothes you have on Friday 8th, take a photo and send it into school.
3. Children are invited to do any research they like around VE day- what is it and why is it important we stop to remember what took place around the world at that time? Work can be anything you like- perhaps a presentation, a picture, a fact sheet, information about an individual soldier, write a special VE prayer, learn a wartime song, anything you like! Please can any work be emailed into school by Thursday 7th May by 1pm.

Please feel free to do as little or as much as you like around this but it would be great for as many people as possible to do something!

Please note, that any photos of flags, wearing red/white/blue and children's work need to be emailed to admin@stgeorgesschool.org.uk. Photos will then be used to make a film which we can then share on our website and Facebook page.

Many thanks!
