

An oasis of fun

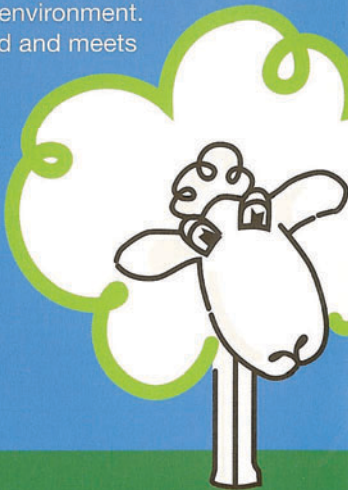

set in the midst of
600 acres of country park

Set in the centre of 600 acres of country park, Broomey Croft Childrens Farm gives you an opportunity to mix a family day of fun with relaxing countryside walks and waterside activities.

The farm is home to many farm animals including sheep, goats, ponies, donkies, hens and pigs. The friendly farm animals can be hand fed with bags of special animal feed that can be purchased at the farm entrance. An activity which gives all visitors lots of pleasure and confidence.

Take a **FREE** ride on the farm's tractor and trailer. Rides are free for all the family and run at 12 noon, 2pm and 3pm at weekends and school holidays.

The farm was created particularly with children in mind and provides lots of opportunities for them to observe the animals closely in an enjoyable and safe environment. The farm is fully insured and meets all current Health and Safety legislation. We have excellent hand washing facilities. All visiting schools and groups are given a **FREE** tractor ride.

Directions

10 minutes from J9 M42. Follow the A4091 towards Drayton Manor and follow our brown tourist signs.
