OUTWIT YOUR OPPONENTS!

LET BATTLE COMMENCE!

AT HATTON COUNTRY WORLD
www.hattonworld.com

All the latest sophisticated digital technology is used and players will kit up in camouflage gear, carrying guns that shoot precision beams of light at their opponent's sensors. Ammunition is limited, as are the number of lives each player has, so it's essential to outwit the other team members through stealth, speed and nerve!

Outdoor Laser Combat is an authentic action game, based on the battles fought on the most popular computer games (from Call of Duty to Halo and Battlefield), only this is as close as it gets to the real thing... with real weapons, live targets in the great outdoors!
