

# Become a School Governor at St George's C.E. Primary School

Would you like to make a difference at St George's School?

Do you have any experience in finance, safeguarding, health and safety or education? If yes, then we would love to speak to you about joining our Governing Body at St George's!

We are extending the St George's Governing Body that actively supports the head teacher, staff and children. Our role as governors provides strategic leadership and accountability in line with the school vision. We are here to support and challenge school improvement in order for the school to continue to flourish.

We meet formally six times a year (in the evening and currently via Microsoft Teams) plus each governor will be invited to join additional teams such as English, The Arts, Health and Safety and Finance. Supported by senior school leaders, Governors are encouraged to visit the school and observe classroom activities, look at the range of work the children have completed and make recommendations on how to improve or develop future practice.

Experienced or new governors would be very welcome and training support would be provided. This is an exciting opportunity to be part of an outstanding school that truly believe that 'Everyone Matters and Everyone Achieves'.

If you are interested in finding out more about joining our governor team please contact Sally Sixsmith, Head Teacher, on 01952 387750 or email [admin@stgeorgesschool.org.uk](mailto:admin@stgeorgesschool.org.uk).
