Dear Parents

5<sup>th</sup> January 2021

Partial Opening of St George's C.E. Primary School January 2021.

By staying open, St George's C.E. Primary School is **offering critical care**.

Parents bringing children into school from Tuesday 5<sup>th</sup> January 2021 must consider if you are able to keep your child at home or reduce the number of days that they will attend. Children will only be offered full days- we are not able to accommodate part time days as we did in the summer lockdown.

The government's strategy to reduce the number of children in educational settings is to slow the spread of COVID-19.

To enable your child to come into school during this period of partial opening, please complete and date the declaration below which will be kept on record in school. You will also be required to show proof of being a critical worker; this may be an ID badge, pay slip or contract, etc.

If possible, please return the completed form and a copy of your ID **electronically** by email to [admin@stgeorgesschool.org.uk](mailto:admin@stgeorgesschool.org.uk). If you are unable to send it electronically then please come to the main school office.

Yours sincerely,

Mrs Sally Sixsmith
