Important safeguarding message to all parents and carers:

We are unable to give out class lists of children's names to parents due to GDPR and we have a duty to protect the identity of the children in our care. We have been made aware that some parents are naming other children on Facebook, trying to help each other to come up with lists for writing Christmas cards. Whilst this is a lovely idea, please can we politely ask you not to do that as we have children in school who are in the care system and their names must not be made public for safeguarding reasons. Thank you for your support and understanding in this matter.
