

WALT understand what we have read.
WILF careful reading or listening, good drawing.

Read and draw.

Draw 2 houses. The first house has a red door and four blue windows, the house is brown. The second house has a blue door and two red windows and two yellow windows, the house is green. Next to the houses is a tall tree with a brown trunk and green leaves. On the other side of the houses is a brown spotty dog, he is eating out of a blue bowl. It is a bright sunny day.

Answer the questions.

How many houses are there? _____

What is eating out of a bowl? _____

What colour is the bowl? _____

What is the weather like? _____

How many blue windows are there? _____
