Dear Parents/Carers,

As part of a Government Scheme, we have been provided with bagels in school for children to have for breakfast.

This is a brand new initiative that is funded by the Department for Education, at the moment we are building up to all children having access to bagels at least one morning a week.

Please note these bagels are not gluten free. If your child has any dietary requirements, we will as a school try to accommodate all dietary needs by purchasing alternative products.

If you have any questions or concerns, please don't hesitate to contact us.

Kind regards,

Mrs Sally Sixsmith
