Dear parents/guardians,

This letter is to inform you that there has been an update to the school's RSE policy. School governors have made the decision to teach some of the vocabulary for body parts earlier on, in reception. This decision has been made for safeguarding and education purposes so that should children need to share with an adult in school that this area of their body has been hurt, it is clear which part they are talking about. Adults in school will use this accurate terminology to ensure there is no confusion and to teach children that these parts of the body are private.

The updated version of the policy is attached to this email and can also be found on our school website.

Should you have any questions regarding this, please do not hesitate to contact the school.

Yours Sincerely,

Mrs Sally Sixsmith
Head Teacher
