Dear Parents and Carers,

I am unfortunately having to write to the school community again regarding serious concerns around parking outside of school. It has been reported to me that this morning a parent reversed their car on the yellow lines, almost hitting a family who were crossing the road.

As a school, we have no power to police the roads outside, but we ask you to please stick to the rules as we fear there will be a serious accident if we don't work together to make this right. We understand there is a lack of parking spaces, as there is with all schools, and also understand that this can be frustrating.

As you will know, we regularly send parking reminders, and we work closely with the local enforcement officers, but they are unable to be with us each day as they cover such a wide number of schools.

The key message is please park safely, legally and considerately and set a good example to our children. This will ensure our pupils have a happy and safe journey to and from school.

We do now have a link on our school website where you can report illegal parking. You can find this link in the 'Parents Area' of the website.

I thank you for taking the time to read this letter and appreciate that most of our school community do work hard to keep everyone safe.

Yours sincerely,

Sally Sixsmith
