We will let school office know if we are on track to be back for this time.

Food

- ▶ Typical breakfast: cereal, fruit, toast, yogurts and a choice of breakfast items The students are encouraged to eat plenty to give them energy for the busy day ahead.
- ▶ Lunch: sandwiches, fruit, crisps, chocolate/energy bar and a cake.
- ▶ Evening meal: e.g. roast dinner, spaghetti bolognese, pizza, burgers and a salad bar, vegetarian options available on request.
- ▶ Pudding (hot), yoghurt and fruit.
- ▶ Children often have second helpings of meals as they are still hungry from days packed full of activities.

Dorms

The dorms have a minimum capacity of 4 and some of the dorms are larger and can accommodate up to 12 children. They are all bunk beds.

The dorms will be allocated before we leave school. The children will be asked by year 5 staff who they would like to share a dorm with, and we will try to keep children in the same dorm as their friends where possible.

Duties

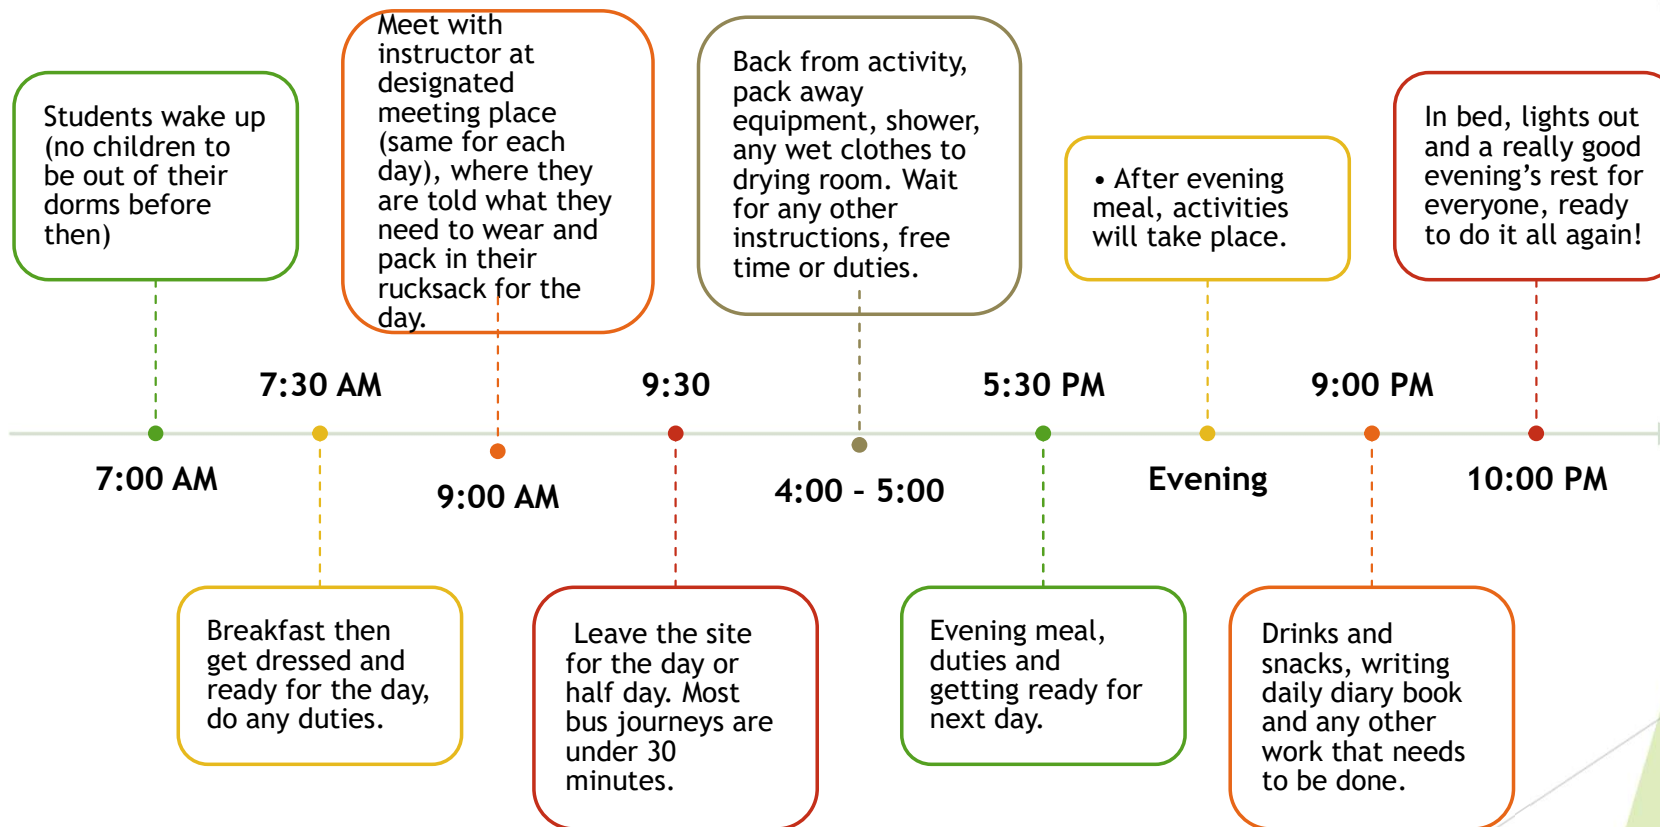

While at Arthog the aim is for students to gain independence throughout the week. One of the ways they do this is by having a duty for the week as a whole group.

The duties that groups could have are; setting and clearing the tables, tidying the library, tidying the lab, cleaning the courtyard and washing down/putting away lifejackets.

A typical day.

Medication

- ▶ Please ensure that medication is labelled and that it is clear how often it will need to be taken. Please do not pack in luggage.
- ▶ Medication will be kept by a member of staff who will ensure that it is taken at the correct time. • Make sure we know when medication needs to be taken. We can take it on activities if needed.

Communication

Children are not allowed mobile phones at Arthog
