The teachers will be

Mrs McEvoy

There will also be other grown ups that can help me.

I will wear my school uniform.

I will also need a bag, coat and water bottle.

In the morning, I will wait with my grown ups.

The teachers will come out of this door to say it is time to start school.

I will say good bye to my grown ups and come through the red gate on my own.

When I come in, I will put my things in my locker and put my water bottle in my class box.

These are the toilets I will use
and this is where I will wash
