

Geography Yearly Overview

	1	2	3	4	5	6
Autumn Term	Would you prefer to live in a hot or cold place?	Where does our food come from?	What is it like in the UK?	What's it like in Italy?	What is it like in North America?	Are all mountains the same?
Spring Term	What's it like where we live?	What's it like on a safari?	How is the land used?	What are earthquakes and volcanoes?	How are rivers formed and managed?	How does Brazil compare to the UK?
Summer	Where in the world is Barnaby Bear?	What is it like by the seaside?	How coasts formed and managed?	What are climate zones and biomes?	Is there enough for everyone?	What impact does trade have?
